ESPA

Natural Beauty
Inner Calm

Inner Beauty Facial (1 hour) £62.00

Tailor-made facial to suit your needs. Products are chosen for your individual needs to achieve the best possible results. ESPA's award winning products are combined with specific massage techniques, including acupressure, lymph drainage and oriental head massage. Your skin is left radiant, nourished, protected, clear and refreshed.

Personalised Express Facial (30 mins) £41.00

A relaxing mini facial for an instant boost to the skin when your time is limited. Your skin will be left radiant and moisturised. Your therapist will select the most suitable facial for your skin.

Active Nutrients Glow from within Facial (1 hour 10 mins) £70.00

A naturally powerful nutrient-rich treatment embracing ESPA's holistic approach to restoring radiance.

Lethargic complexions are brightened and refreshed with the power of a Gua Sha massage tool, helping boost the flow of blood and nutrients to the skin.

Refining Enzyme Facial (1 hour 30 mins) £86.00

A powerful and highly effective facial to boost cell regeneration and give an instantly smooth, radiant complexion. The facial includes a deep brush cleanse and an intense Pumpkin Enzyme peel.

A soothing massage using Rose Quartz Crystals help cool and calm. The Lifting and Smoothing mask gives your skin a more plumped, firmer and even appearance.

Luxury Lifting and Firming Facial with Stones (1 hour 30 mins) £76.00

This therapeutic facial helps to lift and firm, bringing back forgotten freshness and long-term benefits to body and spirit. Hot Stone placement on Chakra points helps to ease tensions generated by everyday life pressures. Cold Stones are used for cooling peace. This truly holistic experience will bring harmony to both mind and body.

Natural Face Lift Facial (1 hour 30 mins) £85.00

A revolutionary treatment, designed to strengthen, tone and lift the skin. Ancient Kobido-inspired massage techniques are used to increase energy flow, whilst cleansing the lymphatic system. Restoring skin's radiance and creating a natural 'face lift' effect.

Inner Calm

Full Body Massage (1 hour) £62.00

A unisex treatment using aromatherapy oils designed to ease tension, relieve stress and promote a general state of well being.

Back, Neck and Shoulder Massage (30 mins) £41.00

Enjoy a relaxing massage to relieve the tension in this particularly stressed area.

La Stone Full Body Massage (1 hour 30 mins) £85.00

This treatment starts with the client lying on hot stones placed along the spine to warm the muscles of the back. Hot basalt and cold marble stones are used alternatively to create a unique and individual treatment to relax, revive, refresh and re-balance the whole body.

La Stone Back Massage (40 mins) £52.00

Targeting the back to ease stress and tension, hot basalt stones are used to warm and relax the muscles more deeply for maximum relaxation.

Revitalising Back Treatment (45 mins) £50.00

A unisex treatment ideal for problematic skin, but also a lovely treat for this much neglected and hard to reach area. The back is deep cleansed, body brushed and exfoliated to stimulate circulation then calmed and relaxed with an aromatherapy massage. A mask to deep cleanse, balance and nourish the skin is applied, while your legs are massaged to ease tension and improve circulation. Finally a light moisturising balm will ensure that the skin is left soft, smooth and revitalised.

Holistic Total Body Care (1 hour 30 mins) £80.00

This treatment commences with full body skin brushing and exfoliation to prepare the skin, leaving it soft and smooth. This is followed by a relaxing body face and scalp massage using a blend of essential oils chosen to suit individual requirements. This truly holistic experience will bring harmony to both mind and body.

Back, Face and Scalp Treatment (1 hour 30 mins) £80.00

Targeting three key areas – the back, the face and the scalp. Ideal treatment for anyone. Includes back exfoliation and relaxing massage, a personalised facial and scalp massage. The skin is left revitalised and body and mind relaxed.

***It's much more than just
eyebrow shaping ...***

Whoever you are, whatever the state of your eyebrows, HD Brows puts celebrity beauty within your reach.

Eyebrows are as individual as fingerprints. HD Brows is a high-precision procedure that transforms even the most over plucked eyebrow into its perfect shape, dramatically enhancing your facial features.

Taking between 30–45 minutes, the treatment consists of seven unique procedures that are performed by your highly trained and skilled HD Brows stylist. These techniques include a unique combination of threading, waxing, tweezing, tinting and shaping to achieve the perfect eyebrow shape, colour and definition. Our expert stylists assess the shape of your face and colouring before creating a bespoke brow, tailored exclusively for you.

We are the only salon in Witney to be able to offer you treatments with Pro and Master High Definition Stylists. This is a reflection of the level of knowledge, experience and skill our therapists have.

Full range of award winning high definition brow products are available to purchase.

HD Sculpt Consultation and patch test (15 mins) £10.00

HD Brow Sculpt treatment (60 mins) £49.00

A bespoke brow lamination treatment. This is an eyebrow perming treatment to set brow hairs in place. This corrective treatment helps you achieve your desired look for up to 6 weeks, whether that is full, fluffy brows or to tame unruly hairs and create a more desirable brow shape.

Frequently Asked Questions:

Q. Will I get the result I want straight away?

A. Most people get the HD Brows look immediately. However it will sometimes take a few visits to achieve the perfect HD Brow look.

Q. I have over plucked my brows, can I still have HD Brows?

A. Yes, we can put you on a regrowth programme that will train your brows into shape over a course of visits. To speed up your growth between visits there are HD Brows products that will help stimulate growth and make your eyebrows appear fuller and defined.

Q. Will I need a patch test?

A. **Yes, patch tests are required for all tinting, HD and LVL treatments at least 48 hours prior to your first treatment.** This is still required whether you have or not had these treatments previously at another salon. A new patch test is required if it's been six months or more since your last treatment.

We have chosen to work with Lynton as they are a British manufacturer and a leading IPL supplier that are approved by the NHS supply-chain. With over 20 years experience they have developed cutting edge technology, backed up by extensive research and knowledge. They have won many awards and gained a reputation for supplying high quality systems and in-depth training to deliver superior clinical results.

IPL Hair Removal

IPL hair removal is a quick, gentle, non-invasive proven method to permanently reduce hair growth for both men and women. This offers a safe, long-term solution to unwanted, excess hair. A course of around 6–8 treatments spaced 4–8 weeks apart will permanently reduce hair growth and is suitable for most areas of the face and body. Our Lynton Excelight is a powerful, reliable machine that achieves quick, long lasting results.

A consultation and patch test are required in order to determine skin sensitivity and the best course of action. You and your therapist can discuss any queries you may have, suitability and courses of treatment as necessary. This must be done a week prior to commencing any course of treatment.

Please leave a few days hair growth in the area to be tested so that we can see the colour and thickness of the hair.

We CANNOT patch test if you have an active suntan or are wearing fake tan.

IPL Skin Treatment

We can provide a long term solution to facial problems such as red flushing (Rosacea), thread veins, port wine stains, overactive sebaceous glands (acne) and red spots in just a few quick, easy treatments. Typically 3 to 5 treatments, spaced 4–6 weeks apart, are needed for optimum results, though small lesions may clear in just a single session. The IPL treats the concern directly for quick, noticeable, lasting results.

A consultation and patch test are required in order to determine skin sensitivity and the best course of action. You and your therapist can discuss any queries you may have, suitability and courses of treatment as necessary. This must be done a week prior to commencing any course of treatment.

CACI's award winning treatments use the very latest pioneering technologies. The result of over two decades of research, CACI non invasive treatments can deliver dramatic, visible results, without the need for surgery. CACI treatments regularly capture media headlines and have a huge celebrity following.

At Liz Evans Beauty we have the most up-to-date Synergy system from CACI. It means we can offer a wide range of CACI anti-ageing and skin rejuvenation treatments using just the one advanced treatment system which stimulates tissue regeneration and helps collagen production. New breakthrough S.P.E.D. Microcurrent LED technology combines microcurrent with LED light therapy to offer the ultimate in CACI non-surgical facial toning to combat signs of ageing for faster, visible results.

CACI Synergy with S.P.E.D technology (incl Jowl Lift) (1 hour 30 mins) £110.00

The new breakthrough S.P.E.D microcurrent LED technology offers the ultimate in CACI non-surgical facial toning to combat signs of ageing. The dual action of simultaneous LED and microcurrent provides more visible and longer lasting results. Skin is rejuvenated, deep cleansed and hydrated for a brighter, smoother complexion. Includes ultrasonic peeling for deep cleansing and skin rejuvenation, orbital microdermabrasion to exfoliate and refine the skin, and the hydratone mask with orbital abrador for lymphatic drainage. The unique wrinkle comb targets lines and wrinkles.

CACI Non-surgical Facelift (with Jowl lift) (1 hour) £62.00

CACI (Computer Aided Cosmetology Instrument) has gained a reputation as the finest non-surgical facelift machine available. CACI transmits tiny electrical impulses which lift and tone the facial muscles, whilst improving skin elasticity and reducing the appearance of fine lines and wrinkles.

Courses of 10-15 CACI Treatments also available

To maximise the benefit and see lasting effects, we recommend you have a course of 10 treatments in the first month. Results can be maintained by a monthly maintenance treatment, or more frequent visits if required. Please discuss this with your therapist. Discounts available on all courses.

The following treatments can be added to the CACI non-surgical facelift or taken in various combinations according to your skin's requirements:

S.P.E.D Microcurrent LED light technology (throughout the treatment) £12.00

High brilliance LED light therapy pulses light deeper into the tissue for healing and collagen production. Used in conjunction with CACI microcurrent to enhance treatment results. The beneficial effects of LED's have been well documented within dermatology and are acknowledged to stimulate the body's own cell regeneration.

Ultrasonic Peel (10 mins) £12.00

A gentler form of exfoliation. Rapid vibrations cause skin impurities and dead skin cells to become dislodged. The epidermis is left deeply cleansed and gently exfoliated.

Microdermabrasion (20 mins) £24.00

Gentle, effective, crystal-free microdermabrasion combined with LED healing light therapy, particularly effective when treating skin blemishes, acne scarring and sun damage.

Hydratone Mask (15 mins) £18.00

Intense skin hydration infusing the skin with collagen and vitamin E and C to treat dehydration, sun damage and plump out fine lines and wrinkles. Recommended after microdermabrasion. Skin is left softer and looking more radiant. Brilliant pre or post party pick up!

Wrinkle Comb (10 mins) £13.00

The comb uses microcurrent and LED light therapy to instantly plump fine lines and soften deep lines, wrinkles and blemishes. Results are immediately visible, but for optimum effect a course is recommended. Please speak to your therapist.

(A non invasive, needle free alternative to injections and fillers)

CACI Jowl Lift (30 mins) £40.00

Specifically developed to target the muscles around the jawline to lift, firm and redefine facial contours. Using the new Quad Probe, this is designed to double the lifting action of the CACI system thereby enhancing results.

CACI Eye Revive treatment (40 mins) £48.00

This new treatment uses microcurrent to gently tighten and tone sagging muscles around the eye, to lift hooded eyes while reducing the appearance of fine lines and wrinkles. Eye Revive serum is infused deep into the skin to reduce puffiness and dark circles, and the deeply nourishing Hydro Eye Mask soothes tired eyes.

CACI Microdermabrasion + Hydratone Mask combined (40 mins) £40.00

This treatment gives an immediate boost to the skin! Includes microdermabrasion to resurface your skin, LED light therapy and the wrinkle comb to target any concerns and the hydratone mask to plump and rehydrate. Great for clients with acne, blemishes or sun damage.
